

Partido Popular

@ppopular

Patxi López: “Si en una mesa hay 1 nazi y 10 personas que le respetan, en esa mesa hay 11 nazis”.

¿Con temas de corrupción aplicaría la misma teoría?

Translated from Spanish by Google

Patxi López: “If at a table there is 1 Nazi and 10 people who respect him, at that table there are 11 Nazis.”

Would the same theory apply with corruption issues?
