manfred.weber Tomorrow, on #WorldHealthDay, discussing with Franz Weidinger, @europeansocietyofcardiology President. We managed the EU Cancer Plan in this mandate, as promised. The @EPPGroup is committed now to creating a European Cardiovascular Health Plan in the next term. 60 million people live with #cardiovascular disease in #Europe, making it the biggest killer in our Union.

Don't miss it!

Sunday, 07 April

11:00 CET (Brussels time)
