La France a miné sa balance commerciale en décourageant le travail, en passant aux 35h, en cessant de produire... Cette divergence avec nos voisins européens fragilise notre réponse commune à la concurrence mondiale. Pour redevenir crédible, la France doit redevenir compétitive.

[Translated from French by Google](#)

France has undermined its trade balance by discouraging work, moving to 35-hour weeks, ceasing production... This divergence with our European neighbors weakens our common response to global competition. To become credible again, France must become competitive again.
