Original-Audio

manfred.weber  Today is #WorldHealthDay 🌐. In the @EPPGroup, we firmly believe Europe can make the lives of Europeans better, reducing inequalities & disparities across countries.

We delivered the EU Cancer Plan in this mandate. We want to create a European Cardiovascular Health Plan in the next term. 60 million people live with cardiovascular disease in Europe, making it the biggest 🇪🇺 killer. Good talk with @europeansocietyofcardiology Franz Weidinger. #EPP4Health
