El PSC pide a los catalanes su apoyo “hablen la lengua que hablen”.

La realidad es que el PSOE ha rechazado en el Parlamento Europeo un informe por el bilingüismo, el acatamiento de las sentencias y contra la discriminación del castellano en las escuelas catalanas.

Hipócritas.

Translated from Spanish by Google

The PSC asks Catalans for their support “no matter what language they speak.”

The reality is that the PSOE has rejected in the European Parliament a report for bilingualism, compliance with sentences and against discrimination against Spanish in Catalan schools.

Hypocrites.
